McLEOD HOUSE

A Transitional Home for Men in
Addictions Recovery.
Drug and Alcohol Free Zone

MCLEOD HOUSE

On April of 2004, the McLeod House was opened. It is a 12 suite apartment building and can house 16 single men at a time. McLeod House offers safe and supportive housing for men who are struggling with various addictions. The apartment building is monitored and staffed 24/7. Clients are referred to McLeod House through referrals from MAC-SI, Larson House, and/or other community support organizations.

McLeod House is a transitional home for 15 single men in addictions recovery. We provide a safe, secure environment in a monitored living situation.
